Sri J. MOHAMED IMAM.—Shall we take that the receipt is minus Rs. 1,000 if expenditure is deducted?

Dr. R. NAGAN GOWDA.—Yes.

Sri S. SRINIVASA IYENGAR.—Sir, is it not a fact that Ajjampur was intended as a breeding centre for bulls ?

Dr. R. NAGAN GOWDA.—Yes.

Sri S. SRINIVASA IYENGAR.—Will you be in a position to tell me how many bulls they have supplied last year ?

Dr. R. NAGAN GOWDA.—I am afraid I am unable to give that figure. But we have got a large number of bull-calves that are of breeding age there and they are all available for sale. We have bull-calves over two years—22, one to two years—280, and up to one year—308. All these are available for sale.

Sri S. SRINIVASA IYENGAR.—Is it not a fact that, with all the bulls available with the Government, the Government are still providing for the purchase of bulls to the extent of Rs. 20,000 ?

Dr. R. NAGAN GOWDA.—It is true we are providing Rs. 15,000 to 20,000. But it is mostly for the purchase of Hallikar bulls.

Sri S. SRINIVASA IYENGAR.—At Ajjampur don't you breed Hallikar variety ?

Dr. R NAGAN GOWDA.—Ajjampur is mainly for Amritmahal variety.

Sri S SRINIVASA IYENGAR.—Have you not got another station for Amritmahal breed ?

Dr. R. NAGAN GOWDA.—Yes, we have got.

Sri S. SRINIVASA IYENGAR.—Then why don't you breed only Hallikar variety at Ajjampur?

Dr. R. NAGAN GOWDA.—We have Hallikar in Hesaraghatta and we have quite a good number in Kurikuppe—about 500, of which 100 animals are over two years of age and ready fo sale. I shall be glad if the Hon'ble Member would get us a bargain for them.

Sri S. SRINIVASA IYENGAR.—If I say that the upgrading and breeding of the Hallikar are not properly maintained in these stations, am I correct?

Dr. R. NAGAN GOWDA.—So far as I know about Kurikuppe, there was a very good record kept of these cattle which were transferred from Hosur; and I am not ready to accept the statement of the Hon'ble Member that no records are kept either in Hesaraghatta or at Ajjampur.

Sri S. SRINIVASA IYENGAR.—Even though they are spending four lakhs of rupees over these breeding centres, etc., if I say that Government are not keen on maintaining the variety of the Hallikar, Amritmahal properly, will the Government investigate the matter and set right things?

Dr. R. NAGAN GOWDA.—Well, I will look into the matter.

Advance to Mysore Land Mortgage Bank.

Q.—183. Sri B. CHIKKANNA (Javagal)

Will the Government be pleased to state :—

(*a*) the amount advanced by them to the Mysore Land Mortgage Bank during this year;

(*b*) whether the Reserve Bank has been advancing any amount to this Branch and if so, the amount advanced during the current year and the rate of interest ?

A.—Dr. R. NAGAN GOWDA (Minister for Agriculture).—

(*a*) No amount was advanced by Government this year. But cash credit accommodation of Rs. 10 lakhs at 4 per cent interest has been sanctioned by Government to the Mysore Land Mortgage Bank for a period of 5 years from 26th April 1953.

(*b*) The Reserve Bank of India have not so far advanced any amounts to the Land Mortgage Bank as Reserve Bank are not dealing with long term credit as yet.

Dr. R. NAGAN GOWDA.—Please repeat your question.

Sri S. SRINIVASA IYENGAR.—Will the Government be pleased to state whether in the land mortgage banks, it is easier for the merchants to get loans rather than for the heavily indebted raiyat?

Dr. R. NAGAN GOWDA.—He will get loan to the extent that he is solvent. If he is heavily indebted and if he has not got enough security, he cannot get loans.

Sri S. SRINIVASA IYENGAR.—Is it not a fact that merchants get loans from the land mortgage banks much quicker and easier than the heavily indebted raiyat, is my question.

Dr. R. NAGAN GOWDA.—I do not think I can admit that, Sir, because both merchants and the agriculturists get loans. Indeed, as a matter of fact, this bank is intended mainly for agriculturists and not for merchants in the first place; and in the second place, as soon as the agriculturist is able to produce the records, title deeds and things like that, he will be able to get the loan. Probably that is where the snag comes in. The merchant is able to produce the documents quicker than agriculturist is capable of doing. But anyway as soon as the documents are produced, the loan will be granted.

Sri S. SRINIVASA IYENGAR. Is it not a fact, Sir, that the questions put by the Land Mortgage Bank with respect to information to be furnished by an applicant are unanswerable?

Dr. R. NAGAN GOWDA.—Of course, they are not.

Sri S. SRINIVASA IYENGAR.—Has it come to the notice of Government that large portions of loans issued are to wipe out only pro-note debts of rich men?

Dr. R. NAGAN GOWDA.—Notice.

Sri S. SRINIVASA IYENGAR.—Will the Government please examine the work of these societies and satisfy themselves before standing further surety to the loans borrowed by the Bank?

Dr. R. NAGAN GOWDA.—Is it the allegation that the loans are given to clear loans acquired on promissory notes or is it that they are given on security of landed property or substantial property?

Sri S. SRINIVASA IYENGAR.—My question is: is it not a fact that the Land Mortgage Bank is set up to reduce rural indebtedness?

Dr. R. NAGAN GOWDA.—Yes, Sir.

Sri S. SRINIVASA IYENGAR.—If that is so, will the Government examine the accounts of the banks in order to satisfy themselves whether this rural indebtedness has been at least tackled properly?

Dr. R. NAGAN GOWDA.—Yes.

9 A.M.

Sri MULKA GOVINDA REDDY.—On an average what is the time taken for the disposal of an application, Sir?

Dr. R. NAGAN GOWDA.—As I said, the matter is not one of what time it takes, but, if the applicant does not produce his documents quickly, it will take time. If the applicant is not able to produce the documents quickly there will be delay; otherwise, I know Land Mortgage Bank does not take much time.
